**Membership that lasts forever.** It's named Club Infinity for a reason! Join the club and you're a member forever - and therefore entitled to the many benefits of club membership - forever.

**A chance to win monthly prizes.** Club Infinity members are eligible to gain entry to all major promotions and prize giveaways simply by spending \$2 at any bar or restaurant in the Club or \$20 in gaming.

**The more fun you have, the more rewarded you are.** Climbing through the ranks of Club Infinity is easier than you think. Check out the table below for benefits beyond Red membership.

Tiers are reviewed every month with adjustments made every 3 months on 1st March, 1st June, 1st September and 1st December. If your turnover balance is lower than your require rate to stay in your current tier, an adjustment will be made. If your turnover increases you will be notified and you will stay in that tier until the next quarters adjustment. Terms & conditions apply.
